# Upcoming Events

## UK Parliament Outreach

On the 7<sup>th</sup> February 2020, we will be having an “**Introduction to the UK Parliament**” Assembly for the children in Key Stage Two. This lively, interactive assembly will introduce students to what UK Parliament is and how it works. More importantly, they’ll learn what it means for their lives as citizens.

The children will learn:

- How does our democracy work?
- How can young people get involved in the work of UK Parliament?
- What are the roles of MPs and the House of Lords?

Prior to the visit, we will be exploring the UK Parliament and associated subjects such as Citizenship, Living in the Wider World and British Values, in our lessons.

There is a possibility that our local MP, Chi Onwurah, may be able to take part in this assembly which would be an added bonus.

## Special Author Event

Thirty of our Year 5 and 6 pupils will be attending a special author event organised by Seven Stories (The National Centre for Children’s Books) on Tuesday 4<sup>th</sup> February.

Award-winning author Ross MacKenzie will be talking about his new book **Evernight**. This story is set in a world of witches and shadow-men with the hero, Larabelle Fox, hunting for treasures in the sewers of King’s Haven to survive.

Ross will talk pupils through his inspiration for the book, from the sewers of Victorian London to steampunk technology, and the creation of memorable villains. This will be a fun, inspirational event from a great speaker.

## Focus on Reading

Reading is one of our key priorities in school this year so we would ask you to encourage your children to bring their book bags to school every day and take an interest in what they are reading, listening to them read as much as possible and helping to support us in enabling them to develop a real interest in reading for pleasure.
